THE A. & M. COLLEGE COM-  
MENCEMENT.

The whole State is interested in the  
work and the success of the Agricultural  
and Mechanical College. It is an insti-  
tution around which our fondest hopes  
center. It was established to make bet-  
ter and more successful farmers, and  
better and more skillful mechanics and  
citizens. It is expected to give them  
also a good English education so that  
they will not only be masters in their  
callings but intelligent and educated  
citizens, capable of filling any position  
in the gift of the people.

The first year has enrolled half a hun-  
dred sturdy and earnest boys doing their  
best at this College; and notwithstanding  
the obstacles and hindrances inci-  
dent upon a new institution, the year has  
been successful—gratifyingly so. The  
Trustees, faculty and the students  
have cause for self-congratulation.

Another year, the Mechanical hall will  
be completed and the equipments in  
other departments will be more  
perfect, and we hope that not  
less than an hundred boys will come  
and enjoy the advantages which the Col-  
lege affords. It is destined to do a great  
work for the State—for agriculture and  
for manufacturing. It gives the CHRONI-  
CLE pleasure to note that it has passed  
its first mile-post so honorably and use-  
fully. It only needs the support and  
co-operation of the people to make it an  
institution of which every patriotic citi-  
zen will be proud, and at which hun-  
dreds of fathers will be glad to educate  
their sons.

## THE FIRST GUN.

The first gun of the campaign of 1890  
has been heard. From now on the cam-  
paign will wax hotter and hotter until  
the day of December.

The CHRONICLE publishes to-day the  
address of the State Executive Com-  
mittee. Every Democrat in the State  
and every young man who has just be-  
come a voter ought to regard this ad-  
dress as a personal letter to him. It is  
so intended.

The address is short, comprehensive  
and is an unanswerable argument in fa-  
vor of a continuation of Democratic su-  
premaccy. It is the first document from  
our new Chairman; and it evidences his  
grasp of the issues in the coming cam-  
paign and his purpose to prosecute the  
campaign vigorously. He says most truly  
that the greatest danger to the Demo-  
cracy this year is in over-confidence  
and apathy. His address ought to wake  
Democrats up!

Commenting on the appointment of  
nine negroes to three whites as coun-  
cillors in a Louisiana parish containing  
a large white majority, the New York  
Evening Post pertinently says: "The  
appointment of nine Irishmen to three  
Yankees in Massachusetts, during the  
Know Nothing excitement a generation  
ago, would have been denounced by the  
natives of the State as an outrage, and  
it is no more strange that the appoint-  
ment of nine negroes to three whites in  
Louisiana should be denounced by the  
whites as an outrage."

The chairman of the county commis-  
sioners of the various counties through  
which the North Carolina railroad runs,  
will meet in Raleigh next Thursday  
to agree upon the route for the line. A similar  
meeting will be held at Wilmington on  
the same day to agree upon the Carolina Cen-  
tral.

Col. F. E. Fries received a telegram  
from Mr. F. O. Holden Saturday night  
saying that "Benny Morgan," Franklin  
county, Va., had been killed by a rebel  
troop. The telegram also stated that the  
killing of the General and Southern Railroad.

## AN ADDRESS

To the Voters of North Carolina by the  
Democratic Executive Committee.

ROOMS OF STATE DEM. EX. COM.,  
RALEIGH, N. C., June 16, 1890.

TO THE VOTERS OF NORTH CAROLINA:—  
At a meeting of the Democratic State  
Executive Committee, held in this city  
on the 10th instant, it was resolved that  
the Democratic State Convention be  
held in the city of Raleigh on Wednes-  
day, the 20th of August, 1890.

It will devolve on this convention to  
nominate for vacancies now filled by  
appointment of the Governor a Chief  
Justice and one Associate Justice of the  
Supreme Court, and Judges of the  
Superior Court for the First, Fourth,  
Fifth and Eighth Districts. Also Judges  
of the Superior Court for the Second,  
Sixth, Seventh and Eleventh Districts,  
whose terms expire; and to adopt a  
platform of principles, and for such  
other business as may properly come  
before it.

The convention is called to meet later  
than in 1888, to suit the convenience of  
the great masses of the Democratic  
voters, so that a fuller representation,  
reflecting a more general sentiment, may  
be insured; and it is desirable that the  
delegates shall attend.

The Democratic party congratulates  
the people of the State upon the mat-  
terial and moral advancement made  
under its beneficent administration of  
affairs, and, having redeemed its pledges  
in the past, presents its claims to the  
continuance of the confidence to which  
it is justly entitled, fully assured  
that they will be recognized, and the in-  
terests of all classes thus subserved.

The term for which Hon. Zebulon B.  
Vance has been elected to the Senate of  
the United States will expire next March,  
and the Legislature to be chosen this  
year will be called upon to fill it. It be-  
hooves us to see to it that no Republican  
is elected to the Senate from this State.

The committee most earnestly requests a  
thorough, early organization in every  
township and county in the State. It is  
essential that this preliminary work  
shall be done at once, so that we may  
be ready for an active and energetic  
campaign as soon as the convention ad-  
journs. It will not do to assume that  
our opponents, because they are inactive  
now, have no life. They can organize  
with celerity and stand ready to take  
advantage of any apparent lethargy on  
our part; and, if we wish to prevent op-  
position, we must demonstrate, by our  
organization and strength, its futility.

In 1882 over-confidence and apathy  
nearly resulted in the loss of the State,  
and again in 1886, from the same causes,  
the control of the House of Representa-  
tives of the State was lost to the Demo-  
crats and given to our opponents. Such  
a result must be carefully guarded  
against this year.

It is important that the various County  
Conventions be called at such times  
as will best suit the masses of the party,  
to the end that a full and free choice  
of candidates for the offices may be had  
and no discontent engendered.

The Republican party of to-day is the  
same as in the dark days of Reconstruc-  
tion, and only awaits the opportunity to  
reassert its power. It is the party of  
Congress indicates too plainly that  
it is the party of Force, without re-  
spect for law or order.

The despotic usurpations of the petty  
tyrant who has been placed by them in  
the Speaker's Chair only to dishonor it;  
the deprivation of legally elected Demo-  
crats of their seats in both branches of  
Congress and the seating of Republicans  
in their stead without the least vestige  
of right, for partisan purposes, and the  
effort to perpetuate themselves in power  
by the passage of a Federal Election Law  
by which the control of Congressional  
elections will be transferred from the  
State authorities to the hands of irres-  
ponsible agents—appointed at the dic-  
tation of unscrupulous politicians at  
the National Capital, thus striking a  
serious blow at our cherished institu-  
tions and the rights of the Sovereign  
States; the reckless appropriation of  
the public funds for illegal and un-  
necessary purposes, by which not only  
is the surplus left in the treasury at the  
end of Mr. Cleveland's benign adminis-  
tration, entirely swept away and a large  
deficit created but also the opportunity  
of giving relief from the burdens of tax-  
ation is retarded: all admonish us that  
our only safety lies in a return to Demo-  
cratic rule in country and its continuance  
at home. Should they succeed in their  
aims we might expect Federal Super-  
visors backed by Federal bayonets at the  
polls, and a re-enactment of the scenes  
of 1868 in our own sister States.

Utterly indifferent to the interests of  
the Southern farmer, all its legislation  
has been at our expense for the benefit  
of other interests and other sections, and  
the only hope of the agricultural South  
to throw off the legislative shackles that  
have crippled our prosperity and bound  
us to poverty is to move forward on the  
lines of those great principles of relief  
which the Democratic party has stead-  
fastly advocated. To attain these ends  
the co-operation of all patriotic men  
who have at heart the prosperity of our  
agricultural and industrial interests and  
the material welfare of our southern  
people, is earnestly asked, and they are  
urged to enroll themselves beneath the  
Democratic banner.

Let every Democrat realize the respon-  
sibility that rests upon him and meet  
it. There can be no doubt of the grand  
victory if we do our full duty. Unceas-  
ing vigilance is the price which we must  
pay for success, but when we consider  
what defeat means to us, the sacrifice is  
small. Over estimate, rather than un-  
der estimate, the enemy and go into the  
fight determined to win it. We must  
prove equal to the emergency, and when  
the first Tuesday in November shall  
have passed, victory will be ours and  
white supremacy, which is synonymous  
with Democratic rule, will be assured to  
us for a further term.

By the committee.

Chairman.

Secretary.

As the Summer advances  
it becomes more and more  
evident that Black Nets  
and Black Lace Flouncings  
will be even more used than  
last season.

This season has been a  
phenomenal one with us in  
the sale of these goods.

During the last few days  
we have called attention to  
some special numbers in  
these Black Laces.

Those are not all quite  
sold yet, and if contemplating  
buying a Black Lace,  
you will find the prices on  
these much less than they  
were a few weeks ago.

Of Embroidered Flouncings  
we have still some of  
our handsomest patterns.  
However, the prices on  
these now are no more than  
much inferior pieces were  
a little earlier in the sea-  
son.

And to those who have  
delayed buying their best  
white dress, we especially  
call their attention to the  
prices we have made on  
these high grade flouncings.

Webster tells us its any substance actually

## LEACH &amp; ANDREWS,

--Ice Manufacturers--

RALEIGH, N. C.

Having recently completed a plant, with the  
most modern and improved machinery for  
the manufacture of ice, we are turning out the  
purest, clearest and firmest ice that has ever  
been manufactured in this country.

Every block being of uniform size, it packs  
in the car closely, and will suffer less loss in  
transportation than either natural ice or that  
manufactured by the old process.

As to purity, we challenge comparison.  
Every gallon of water we use is first evapo-  
rated under a pressure of one hundred  
pounds to the square inch and con-  
densed before freezing, thus insuring water  
as pure as it comes from the clouds. Car-  
load quantities on short notice. Full weights  
and careful packing guaranteed.
